## News from Tami

Thank you so much for the great start to our school year! We appreciate you and your children getting to school on time and being very punctual with pick up.

Also, thank you for your phone calls letting us know that your child is going to be absent; letting us know really helps us out alot.

This week is already the third week of school and your children are getting accustomed to their class routines and teachers.

This week we started Lunch Bunch, Music, Library and Special Moments and Soccer. Then we will have our Trike-a thon on Thursday and Friday. It has been one very busy week!

## Reminders

- **FOR SAFETY:** At pick up and drop off, please pull into a parking space, and do not just leave your car in the pathway blocking other cars from being able to get in and out of their own parking spaces. You can pull into the circle area, where the cones are set up, to come in for drop off or pick up, but you need to come from the south and pull all the way through so others can use that space, too. It would be most considerate if these spots were left for mothers with younger children that are carried and/or for mothers with multiple children.
- **LUNCH BUNCH** is now offered Monday through Thursday. Your child can come to any lunch bunch regardless if he/she is in class that day. (For example, if your child goes to school Tuesday & Thursdays, they can still come for Lunch Bunch on Monday or Wednesday.) If your child wants more socialization or if you have any appointment, please take advantage of our Lunch Bunch Program from 12 – 2 pm. All we ask is that you bring a healthy, peanut-free lunch. Also, please remember there is a discounted price if you sign up for 4 or more Lunch Bunches.
- **SCHOLASTIC BOOK ORDERS** will be going home this week. All book orders earn points for our school to get new books! And ordering online enhances the amount we are able to order. So for your convenience, please place your orders online! Book orders are due Tuesday, October 4<sup>th</sup>.
- **TRIKE-A-THON** donation collections for St. Jude are optional, and can also be done online. If you go online to donate, you will see our goal of \$500 and how close we are to that goal. Please make sure your child has labeled his/her bike and helmet. Children without helmets will not be able to participate in the Trike-a-thon. You are more than welcome to come take pictures if you would like.
- **CARPOOLING:** If you would like to see if someone lives in your neighborhood so you could arrange regular or occasional carpooling, please sign up outside the office to help us all make connections with each other and help each other out.
- A green sheet is on each sign-in table for the **MARTIN'S A+ SCHOOL REWARDS PROGRAM** fundraiser. If you put your information on that form, we will register you. Or you can go online to register and designate our school.
- Other areas that give our school money for supplies come from the **KROGER PLUS CARD for EDUCATION**. Please refer to the information sheet that was in your child's folder at orientation. All you need is our school barcode to be scanned with your Kroger Bonus card one time. We will also be collecting **CAMPBELL SOUP LABELS** on cans and food boxes.
